To encourage donations:

In October I will be taking part in FightMND's annual road trip, Daniher's Drive, with my team [team name].

My team will join a 4-day road trip from Melbourne travelling through Bendigo, Warrnambool and Lorne to raise awareness and vital funds for motor neurone disease (MND) research and care initiatives.

If you can, please support me by contributing to my target and help change the lives of people and families living with MND.

To say thank you:

A huge thank you to everyone who donated to my Daniher's Drive fundraising page in support of FightMND.

Your support helps give hope to people living with motor neurone disease (MND) and their families - hope that one day we will find a cure for this devastating disease.
